ANNUAL REPORT OF THE CITY OF GROTON CONSERVATION COMMISSION 2014-2015

The Conservation Commission members acting as the Inland Wetlands Regulatory Agency for the City of Groton continued to monitor activity within the regulated wetlands areas in the City of Groton. The Commissioners approved 5 permits for activities within or near the wetland buffer zone. The Commission has also developed a draft mission statement on its conservation role.

The present commissioners have received the DEP Inland Wetland Training certification. Members maintained certification by attending the Annual Meeting and Environmental Conference of the Connecticut Association of Conservation & Inland Wetlands Commissions.

Respectfully submitted,

Richard Palmieri, Chairperson
